### *Who We Are:*

The 20/30 Ministry at SCAPC is aimed at recent college grads and people in their 20's and 30's (or thereabouts) who are single, married, with or without kids, straight or gay, black or white or any derivation thereof! Our goal is to provide a place of connection for people of similar ages and an entry point for young adults into the life of SCAPC.

We welcome seekers, questioners, the convinced, and the not-quite-sure...ask away!. You'll find a number of people types here. SCAPC 20/30's are grad students, attorneys, waiters, doctors, unemployed, and everything in between. We meet often for social events, study and discussion, and service projects. We're always coming up with new events and always welcome new people! Bring a friend - or two or three!

### *What We Do:*

The Social Thing: Oysters raw and cooked, bowling to live music, box seats at a Hornets Game...New Orleansians have always known how to have a good time. Monthly we've got at least one event where good food, conversation, and friends—old and new—show what “laissez le bon temps roule” is all about.

*For more information, contact Young Adult Director, Andy Fox, or Associate Pastor Kelly Hostetler.*
