THOMAS QUESTIONS

- 1. If instead of John, the Gospel of Thomas had been included in the New Testament, what would have been the impact on the evolution of Christianity?**
- 2. In order for Christianity to grow, was it imperative that John's suggestion that the only way to salvation was through Jesus be doctrine?**
- 3. How does Thomas depict the path to salvation? Is his path exclusionary? Is Jesus the only way?**
- 4. John 14:6 proclaims that Jesus is the only way. Does that mean that other religious traditions have no validity? Does it continue to make sense in a modern world of competing traditions and religions?**
